

Social Interactions in Mediterranean Prehistory

Barcelona, 21-23 October 2024

Program

Day 1: 21st October

8,30h	Registration	Auditorium
9,15h	Conference Opening	Authorities
9,45h	Opening Talk: Reifying Categories and Affirming the Consequent: The Role of Fallacy in Middle-to-Upper Palaeolithic Transition Narratives	João Zilhao
10,30h	Coffee Break	

Alterity and confronted identities (parallel session, See p.3)		Room Charles Darwin
11,00h	Welcome to the Session	João Zilhao
11,15h	Social interactions between 50,000 to 40,000 years ago in western Europe: exploring the constraints and possibilities of a DNA analysis, high-resolution excavation, and detailed reconstruction of procedures and gestures recorded in material culture	Marie Soressi
11,30h	Social interactions in the Mesolithic Balkans	Clive Bonsall
11,45h	The origin of habitus social organisation in the Southern Levantine Early Neolithic	Hans Gebel
12,00h	Social Identity and interaction through burial customs in the Pre-Pottery Neolithic B village - Yiftahel	Julia Abramov
12,15h	Discussion	
12,30h	Bodies in transition: diversity and multiplicity of identities in Neolithic Central Anatolia	Sera Yelozar
12,45h	The construction of cultural and individual identities during the Early Neolithic	Solange Rigaud
13,00h	Assessing inequalities: Exogenous grave goods distribution in the Neolithic of the northeast of the Iberian Peninsula (5400-3500 Cal BC)	Cèlia Rodríguez-Pérez
13,15h	Discussion	
13,30h	Lunch break	
15,00h	Megalithic Societies and Others of the Levant: Funeral Choices Between Tradition and Innovation in the 4th and 3rd Millennia	Tara Steimer
15,15h	Tracking Astronomy far beyond Megalithism	Sara Rueda-Saiz
15,30h	Demography, Gender, and Mobility at the Valencina mega-site (Sevilla, Spain), c. 2900-2650 BC	Raquel Montero Artús
15,45h	Discussion	
16,00h	A Foreigner in the Valley: Tracing the Movements of Minferri's Inhabitants through an Integrated Isotopic Study of Bronze Age Human and Animal Mobility	Ariadna Nieto-Espinet
16,15h	Tracing identities across the island landscape. Monumental architecture and visual network analysis in Talayotic Iron Age Menorca.	Alejandra Galmés - Alba
16,30h	Gender Dynamics in Late Iron Age Mallorca: A Technological Analysis of Children's Pottery Funerary Urns	Margalida Coll Sabater
16,45h	Meat consumption and identity in the Mediterranean during the Iron Age	Silvia Valenzuela-Lamas
17,00h	Discussion	
17,15h	Final Session Discussion	

Day 1: 21st October

8,30h Registration

Advances in social interaction modelling (parallel session, See p.2)

Room Ramón y Cajal

11,00h	Introduction to the Session	Joaquim Fort
11,15h	Modelling hunter-gatherer social networks and identity during the Upper Palaeolithic and Mesolithic in the Iberian Peninsula: the Ornaments CODE project	Albert Garcia-Piquer
11,30h	Addressing demographic estimates during the Early Upper Palaeolithic in the Iberian Mediterranean region	Javier Fernández-López de Pablo
11,45h	Dualism: a prehistoric ideology shared around the Mediterranean	Cédric Bodet
12,00h	Discussion	
12,15h	Using network variance to investigate social relations at a micro-scale. Socio-material archaeological networks and biological ties at Çatalhöyük	Camilla Mazzucato
12,30h	Modelling obsidian exchange in the Neolithic Near East	Juan José Ibáñez Estévez
12,45h	The spread of pressure blade making alongside first farmers – new data modelling from the Neolithic between SW Asia and SE Europe	Bogdana Milić
13,00h	Discussion	
13,15h	Lunch break	
15,15h	Modelling the spread of the Neolithic in the western Mediterranean	Joaquim Fort
15,30h	A quantitative model of conflict, with a case study from Early to Middle Bronze Age Crete	Andrea Santamaria
15,45h	Emergence, Spread & Decline of the Bell Beaker Phenomenon in the 3rd Millennium BCE Western Mediterranean.	Tom Davy
16,00h	Discussion	
16,15h	Long term historical consequences of migration and population movements. A computational approach	Juan Antonio Barceló
16,30h	The Neolithic in Europe: spread and interbreeding along the inland and Mediterranean routes	Joaquim Pérez-Losada
16,45h	Discussion	
17,00h	Final Session Discussion	

Day 2: 22nd October

8,30h Registration

Circulation, exchange and trade (parallel session, See p.5)

Room Ramón y Cajal

9,00h	Introduction to the Session	Anna Belfer-Cohen
9,15h	Identifying procurement patterns in a short-term Middle Paleolithic occupation: the case of Abric Romaní level N (NE Iberian Peninsula)	Bruno Gómez de Soler
9,30h	The personal ornaments from Arbreda cave of the Gravettian and Solutrean periods and their cultural implications	Joaquim Soler
9,45h	Tracing culinary pathways: how did food and foodways spread during the Neolithisation of the northwestern Mediterranean	Léa Drieu
10,00h	Circulation of materials, products and ideas among the first Neolithic farming communities in the NE Iberian Peninsula	Xavier Terradas
10,15h	Discussion	
10,30h Coffee Break		
11,00h	Between Provence and Catalonia: identification of a circulation network for specialised production of Barremo-Bedoulian chert during the sixth and fourth millennia BCE	Elsa Defranould
11,15h	Follow that blade! -petroarchaeological proxies as indicators of human mobility during the Copper Age of the SW of the Iberian Peninsula: Vila Nova de São Pedro case study (Portugal)	Patrícia Jordão
11,30h	Giant limpets. A new element in the exchange networks of Recent Prehistory in southern Spain	María Dolores Simón-Vallejo
11,45h	Discussion	
12,00h	Connected by stones: Raw material distribution networks in the western Balkans Neolithic	Ivana Jovanovic
12,15h	Sardinian and the Iberian Peninsula during Late Bronze and Early Iron Age: interactions, exchanges of goods and circulation of ideas	Giovanna Fundoni
12,30h	The Evidence of Interaction between the Central Taurus and Levant Regions: Eşek Deresi Cave (Eastern Mediterranean/Turkey)	Çiler Altınbilek-Algül
12,45h	Discussion	
13,00h Lunch Break		
15,00h	Against the flow: the multi-directionality of interactions during the Neolithic process as observed through shell ornaments.	Emma Baysal
15,15h	Between the desert and the sown land. Deciphering interaction between hunter-gatherers and farmers 10,000 years ago at Nahal Efe (northern Negev, Israel)	Ferran Borrell
15,30h	Cultural Exchange in the North Eastern Mediterranean: Exploring the Prehistoric Potential and Significance of the Central Taurus	Orkun Kaycı
15,45h	Circulating ideas and exchanged materials in the context of Tepecik-Çiftlik mortuary rituals	Ali Metin Büyükkarakaya
16,00h	Discussion	
16,15h	Tracing Pottery Origins: Interregional Perspectives from Upper Tigris Basin, Southwest Asia	Sidar Gündüzalp
16,30h	Minoan Cult Abroad; The Religious Character of the Minoan Frescoes in Egypt and the Levant	Alex King
16,45h	Late Bronze Age Cypriot Hoards: What does it tell us?	Nese Topal Kusku
17,10h	Discussion	
17,15h	Final Session Discussion	

Day 2: 22nd October

8,30h Registration

Environment and social interactions *(parallel session, See p.4)*

Room Charles Darwin

9,00h	Introduction to the Session	Eleni Asouti
9,15h	Back to the sea: Seasonal shellfish exploitation strategies by Neanderthals during the Middle Palaeolithic in southern Europe from $\delta^{18}O$ ratios of marine gastropods from Los Aviones (Spain)	Asier García-Escárzaga
9,30h	Socio-environmental interactions at the early farming village of Kharaysin (Jordan)	Juan José Ibáñez Estévez
9,45h	Integrating high-resolution climate data with archaeological sites for the verification and quantification of environmental influences	Niklas Hausmann
10,00h	Deciphering ecological strategies and social interactions in settlement open spaces: case studies from Neolithic Anatolia	Aroa García-Suárez
10,15h	Discussion	

10,30h Coffee Break

11,00h	Anatolia's Lost Fauna: Insights from a Natural History Database and Shiny App	Elçin Ekşi
11,15h	Climates during the Spread of Farming in Mediterranean	Thomas Huet
11,30h	Landscape, land use and spatial configuration around the Cagalell marsh (Barcelona plain) during the Early Neolithic period	Ana Pena Pérez
11,45h	Discussion	
12,00h	Exploring animal husbandry practices in the southern Balkans: A multiproxy palaeodietary reconstruction using dental wear from Late Neolithic to Bronze age in the Korçë basin, southern Albania	Sergio Jiménez Manchón
12,15h	Redefining connectivity and isolation through (bio-)archaeological data in the central and western Mediterranean islands in the Neolithic and Bronze Age	Marta Díaz Zorita-Bonilla
12,30h	Animal-human mobility and socioeconomic changes from the Late Neolithic to the Early Bronze II (mid 5th-3rd millennium BCE) in mainland Greece: a preliminary zooarchaeological analysis	Dimitris Filioglou
12,45h	Clearings in the forest: human-environment interactions and the shaping of the landscape during Early and Middle Bronze Age in Northwest Iberia	Maria Martín Seijo
13,00h	Discussion	

13,15h Lunch Break

15,00h	Crafting resilience: persistence and adaptation of the ceramic manufacture in south Apulia from the Middle to the Final Bronze Age phases	Roberta Mentésana
15,15h	The Unfamiliar and the Displaced: a geoarchaeological and archaeobotanical investigation on the role of earthen architecture during the Phoenician colonial expansion in the Central and Western Mediterranean Sea	Doga Karakaya
15,30h	Looking for the Phoenician influence on the local agriculture in the south of the Iberian Peninsula	Elena Revert Francés
15,45h	How to move within an island: exploring human-animal mobility patterns in Menorca: Insights revealed through oxygen and strontium isotope analyses	Mauricio Marciales Daza
16,00h	Discussion	
16,15h	Beyond transhumance. Spatial modeling and multicriteria evaluation of agricultural potential and the settlement pattern of the Central Pyrenees during the Neolithic period	Ignacio Clemente Conte
16,30h	Fortified hillfort site networks in Bronze and Iron age of the Central Balkans	Miroslav Kocic
16,45h	Plant-use and domestic activities during the transition of Late Iron Age and the beginning of Roman Times in the Eastern Pyrenees	Ariadna Guimerà
17,00h	Discussion	
17,15h	Final Session Discussion	

Reception Hall

17,45h Poster Session

19,00h Social Event

Day 3: 23rd October

8,30h Registration

Cultural diffusion and population mobility

Auditorium

9,00h	Introduction to the Session	Joan Anton Barceló
9,15h	The spread of the Neolithic from Anatolia across the Central Mediterranean Basin involved the movement of peoples and contacts with the autochthonous Late Mesolithic Hunter-Gatherers, who reacted in different way.	Michael Templer
9,30h	The thud of suburbs - Italy and Mediterranean at the "Collapse", cultural and social interactions.	Alessandro Zanini
9,45h	Neolithic seafaring and boatbuilding technology: early maritime connections between the Levant and Cyprus	Panos Tzouvaras
10,00h	Discussion	

10,30h Coffee Break

11,00h	Exploring the temporal dynamics of Central European Early Neolithic Cemeteries.	Berta Morell Rovira
11,15h	Cultural connectivity as a crucial factor in the origins of the Neolithic in the Levant	Juan José Ibáñez Estévez
11,30h	Continuity, change and connections during the 6th–4th millennium CalBC in the southern Levant indicated by finds from excavations at 'En Esur and Peqi'in	Dina Shalem
11,45h	Discussion	
12,00h	From the selection of raw materials to ornamental compositions: ornamental practices in the Upper Palaeolithic and Epipalaeolithic in the Near East through the Ksar Aqil site (excavations by J. Tixier)	Leïla Hoareau
12,15h	Reconstructing a Late Bronze Age community using archaeogenetics: the example of the necropolis of Los Castelletts II (Mequinenza, Spain)	Marina Bretos Ezcurra
12,30h	The genetic prehistory of Menorca	Vanessa Villalba-Mouco
12,45h	Discussion	

13,00h Lunch Break

15,00h	The Coming of the Greeks, again	Jean-Paul Demoule
15,15h	The Damianitsa settlement, South-Western Bulgaria: a peaceful coexistence or violent confrontation between two prehistoric worlds of Vinča and Akropotamos-Topolnitsa?	Malgorzata Grebska-Kulow
15,30h	Plant use and subsistence practices of later hunter-gatherers in the eastern Fertile Crescent	Ceren Kabukcu
15,45h	Discussion	

16,00h Final Session Discussion

16,30h Conference Concluding Remarks
